

Appendix 4

Services Available From AMSS

This Appendix describes the services available from AMSS to the pressure equipment industry.

Fees for these services will depend on the volume of services provided at any one time and are available from the Manager on request.

Services Available to Manufacturers, Pressure Equipment Users and Statutory Authorities.

1. Archiving of: "The Agreement" for each member.
MDR forms as required by AS 4458, AS 4041, etc.
Complete MDRs including NDT reports, material certificates etc.
Certificates of Compliance
Certificates of Conformity
Design Review Certification
Audit Records
Other records as may be required.

Indexing would be by Manufacturer's Name, Equipment Serial Number and AMSS stamp Number.

2. Provision of the "Current List".
3. Provision of auditing services to members on request. See Appendix 2.
4. Provide free of charge, and on request, a "Statement of Services" available from each member of AMSS.
5. Maintain a dossier about each member containing the Agreement, the criteria satisfied for membership, the Certificate of Compliance, the AMSS Stamp number, the "Statement of Services" and the member's quality regime.
